### Laughing Liberally To Keep From Crying

by **Katie Halper**

Before Jeremiah "Obama's Pastor" Wright spews even more nonsense, and quotes even more *ambassadors*, we want to shed some light on the brilliant gems uttered by some of McCain's own spiritual advisers, Pastor John Hagee and Reverend Rod Parsley. When Hagee endorsed McCain, because he *is a man of principle*, McCain said he was "*very honored by* Pastor John Hagee's endorsement." Reverend Parsley calls McCain a "strong, true, consistent conservative" and McCain *calls* Parsley "a spiritual adviser." Because the liberal media refuses to give any credit to McCain, it is up to us to be fair and balanced. So here are the top 10 Memorable Quotes said by McCain's religious advisers:

1. "*Do you know the difference* between a woman with PMS and a snarling Doberman pinscher? The answer is *lipstick*. Do you know the difference between a terrorist and a woman with PMS? You can negotiate with a terrorist."  
- Pastor John Hagee in his book *What Every Man Wants in a Woman* (Charisma House, 2005)
2. "*The Quran teaches that* [all Muslims have a mandate to kill Christians and Jews]. Yes, it teaches that very clearly."  
-Pastor John Hagee

3. "I believe that the Hurricane Katrina was, in fact, the judgment of God against the city of New Orleans...I believe that New Orleans had a level of sin that was offensive to God, and they are -- were recipients of the judgment of God for that...There was to be a homosexual parade there on the Monday that the Katrina came. And the promise of that parade was that it was going to reach a level of sexuality never demonstrated before in any of the other Gay Pride parades.... The Bible teaches that when you violate the law of God, that God brings punishment sometimes before the day of judgment."

-Pastor John Hagee

4. "The military will have difficulty recruiting healthy and strong heterosexuals for combat purposes. Why? Fighting in combat with a man in your fox hole that has AIDS or is HIV positive is double jeopardy."

- Pastor John Hagee on Don't Ask Don't Tell

5. "[Gay marriage] will open the door to incest, to polygamy, and every conceivable marriage arrangement demented minds can possibly conceive. If God does not then punish America, He will have to apologize to Sodom and Gomorrah."

- Pastor John Hagee

6. "It is impossible to call yourself a Christian and defend homosexuality. There is no justification or acceptance of homosexuality.... Homosexuality means the death of society because homosexuals can recruit, but they cannot reproduce."

- Pastor John Hagee

7. "Only a Spirit-filled woman can submit to her husband's lead. It is the natural desire of a woman to lead through feminine manipulation of the man...Fallen women will try to dominate the marriage. The man has the God-given role to be the loving leader of the home."

- Pastor John Hagee in his book *What Every Man Wants in a Woman* (Charisma House, 2005)

8. "I cannot tell you how important it is that we understand the true nature of Islam, that we see it for what it really is. In fact, I will tell you this: I do not believe our country can truly fulfill its divine purpose until we understand our historical conflict with Islam. I know that this statement sounds extreme, but I do not shrink from its implications. The fact is that America was founded, in part, with the intention of seeing this false religion destroyed, and I believe September 11, 2001, was a generational call to arms that we can no longer ignore."

- Rod Parsley in *Silent No More* (Charisma House, 2005)

9. "Gay sexuality inevitably involves brutal physical abusiveness and the unnatural imposition of alien substances into internal organs, orally and anally, that inevitably suppress the immune system and heighten susceptibility to disease."

- Rod Parsley

10. "Only 1 percent of the homosexual population in America will die of old age. The average life expectancy for a homosexual in the United States of America is 43 years of age. A lesbian can only expect to live to be 45 years of age. Homosexuals represent 2 percent of the population, yet today they're carrying 60 percent of the known cases of syphilis."

- Rod Parsley
