

- 1,000 plus dead in Iraq
- 7,000 plus soldiers maimed or wounded according to the Dept of Defense.
- The largest percentage of amputees in history
- The president or vice-president have not attended the funeral of a single soldier killed in Iraq or Afghanistan

- No weapons of mass destruction found in Iraq
- Troops sent to war without adequate body armor or vehicles
- No Iraqi oil to pay for war
- Osama bin Laden still free
- al Qaeda announces come back in Afghanistan
- North Korea and Iran have nuclear weapons
- Two hundred billion plus tax dollars spent in Iraq

Mr. President, while you visit our town, can you please tell us in your own words, if the above constitute a “Mission Accomplished,” a “Catastrophic Success,” or both?
